A group of about 60 professionals from Faith & Victory—including preachers, pastors, doctors, nurses, and other medical personnel, teachers, construction workers, and singers—will team up with seven churches, the Ministry of Health, and Christian Doctors from GUYANA to minister to the needs of the people in the capital city Georgetown and its surrounding areas.

Working with Dr. Winston McGowan and Rev. Jason Yorrick and their team of pastors and leaders, our team will run 10 medical clinics, do construction work on two churches, teach and preach in seven churches, conduct leadership and business seminars, and serve in the children's ministry.

Cost:
$1595.00 Per Person
$1450.00 Per Person (families of 2-3)
$1350.00 Per Person (families of 4+)

Cost includes:
Transportation, Lodging, Meals, Airfare, Airport Tax, and T-Shirts

**We need volunteers to help sort, package, and label medical supplies.

**Carry Your Candle to the Dark Places of the World!
