On Your Side
ACCIDENTS HAPPEN.
But that doesn’t have to put you on the spot.

Let Nationwide® help. Our GROUPTECTOR℠ accident medical insurance provides peace of mind that keeps the focus on fun. Our policy provides medical expense benefits as well as death and specific loss benefits to all camp or conference participants. You can even choose to cover any staff in addition to participants.

Pick the coverage level that’s right for your group
GrouProtector offers both primary and excess medical plans. Which one’s right for your group?

Primary medical plan
• Ideal for groups with participants generally not covered by other insurance
• Typically the first plan to pay claims after a covered event
• Pays covered expenses regardless of other insurance coverage
• Payments from other insurance coverage may be reduced as needed

Excess medical plan
• Ideal for groups with participants generally covered by other insurance
• Typically the last plan to pay claims after a covered event
• Will not pay covered expenses to the extent paid by other insurance coverage
• Essentially pays for other plans’ deductibles and coinsurance
• Also pays remaining expenses after benefits exhausted from other plans

Who in your group is covered?
You have two choices of who can be covered:
• Participants only
• Participants and staff

Whichever option you choose, 100% of those individuals are insured.

What activities are covered?
• Any supervised camp or conference activity sponsored and/or endorsed by the camp or conference (excludes snow skiing)
• All direct travel to and/or from these activities
Medical Expense Benefit

If, as a result of injury or sickness, an insured incurs covered expenses starting within 90 days from the date of the accident causing the injury or the date sickness (if applicable) begins, we will pay, less the deductible (if any) shown in the application and not to exceed the overall maximum benefit amount, all covered expenses incurred within 3 years from such dates.

**Covered expenses** means the reasonable and customary charges for local ("local" not applicable in a CT contract) professional ambulance service to or from a hospital and/or surgical center as well as the following reasonable and customary charges for treatment, services and supplies provided or prescribed by a doctor: (1) hospital or surgical center care;

(1) hospital or surgical center care;
(2) medical treatment;
(3) nursing care provided by a licensed nurse;
(4) X-rays and lab exams;
(5) prescription drugs and therapeutic services and supplies;
(6) dental treatment as a result of injury to sound, natural teeth (natural teeth in SC);
(7) the following licensed home health care agency services and supplies provided instead of an otherwise required hospital or skilled nursing home confinement:
   (a) physical, occupational, respiratory and speech therapy,
   (b) the services of a home health aide and
   (c) medical supplies.

If excess medical has been elected, we will not pay benefits for, nor can this plan’s deductible (if any) be satisfied by, covered expenses to the extent that they are collectible under certain other policies and/or health plans as stated in the policy.

**Coverage is provided under policy form No.: GR-9051-1**

If the coverage is renewable and sickness medical is included; **GR-9051-2** if the coverage is renewable and sickness medical is not included; **GR-9051-3** if the coverage is short-term and sickness medical is included; or **GR-9051-4** if coverage is short-term and sickness medical is not included. Certain provisions of the policy are summarized in this folder. All benefits are subject to the policy, which alone constitutes the agreement under which payments are made.

Death Benefit

If, as a result of injury, an insured dies within one year from the date of the accident causing the injury, we will pay the death benefit less any specific loss benefit paid because of the same accident. The one year limit does not apply in a PA or WV contract.

Specific Loss Benefit

If, as a result of injury, an insured suffers a specific loss within one year from the date of the accident causing the injury, we will pay:

The total payment for all of the specific losses of an insured because of any one accident will not be more than the face amount. No specific loss benefit will be paid if the death benefit applies. The loss of the thumb and index finger of the same hand benefit will not be paid if the loss of the hand or arm benefit applies.
