21 NCAC 08A .0307 PUBLIC PRACTICE OF ACCOUNTANCY OR ACCOUNTING

(a) A person is engaged in the "public practice of accountancy" who:

- (1) holds himself or herself out to the public as a certified public accountant or an accountant; and
- (2) in consideration of compensation received or to be received, offers to perform or does perform for other persons services which involve:
 - (A) preparing, auditing or verifying financial transactions, books, accounts, or records, or
 - (B) preparing, verifying or certifying financial, accounting and related statements intended for publication, including preparing tax returns, or

- (C) rendering professional services or assistance in or about any and all matters of principle or detail relating to accounting procedure and systems, or
 - (D) recording, presenting or certifying and interpreting such service (including tax, consulting or management advisory services) through statements and reports.
- (b) Services, as described in Subparagraph (a)(2) of this Rule, may be performed on a full-time, part-time or temporary basis in the various accounting fields, including, but not limited to, public accounting, governmental or other not-for-profit accounting, industrial, commercial or financial accounting, taxation and tax-related matters or accounting education.

21 NCAC 08A .0308 HOLDING OUT TO THE PUBLIC

- (a) The phrase "holds himself out to the public as a certified public accountant," as used in defining "public practice of accountancy" in G.S. 93-1(a)(5) and in these rules, means any representation that a person holds a certificate of qualification, if that representation is made in connection with an offer to perform or the performance of accountancy services for the public, regardless of whether that representation is made by the person, someone associated with that person, or someone serving as that person's agent. Any such representation is presumed to invite the public to rely upon the professional skills implied by the certificate in connection with the professional services offered to be performed or performed by the person.
- (b) For purposes of this Rule, a representation shall be deemed to include any oral, electronic, or written communication indicating that the person holds a certificate, including without limitation the use of titles or legends on letterheads, reports, business cards, brochures, resumes, office signs, telephone directories, websites, the Internet, or any other advertisements, news articles, publications, listings, tax return signatures, signatures on experience or character affidavits for exam or certificate applicants, displayed membership in CPA associations, displayed CPA licenses from this or any other jurisdiction, and displayed certificates or licenses from other organizations which have the designation "CPA" or "Certified Public Accountant" by the person's name.

21 NCAC 08A .0309 CONCENTRATION IN ACCOUNTING

- (a) A concentration in accounting includes:
- (1) at least 30 semester hours, or the equivalent in quarter hours, of undergraduate accountancy courses which shall include no more than six semester hours of accounting principles and no more than three semester hours of business law; or
 - (2) at least 20 semester hours or the equivalent in quarter hours, of graduate accounting courses that are open exclusively to graduate students; or
 - (3) a combination of undergraduate and graduate courses which would be equivalent to Subparagraph (1) or (2).
- (b) In recognition of differences in the level of graduate and undergraduate courses, one semester (or quarter) hour of graduate study in accounting is considered the equivalent of one and one-half semester (or quarter) hours of undergraduate study in accounting.
- (c) Up to four semester hours, or the equivalent in quarter hours, of graduate income tax courses completed in law schools may count toward the semester hour requirement of Paragraph (a) of this Rule.
- (d) Where, in the Board's determination, an accounting course duplicates another course previously taken, only the semester (or quarter) hours of one of the courses shall be counted in determining if the applicant has a concentration in accounting.
- (e) Accounting courses include such courses as principles courses at the elementary, intermediate and advanced levels; managerial accounting; business law; cost accounting; fund accounting; auditing; and taxation. There are many college courses offered that would be helpful in the practice of accountancy, but are not included in the definition of a concentration in accounting. Such courses include business finance, business management, computer science, economics, writing skills, accounting internships, and CPA exam review.

21 NCAC 08C .0105 NOTICE OF ALLOWANCE OR DENIAL OF PETITION TO INTERVENE

- (a) If a petition for intervention is one of right, or if a petition for permissive intervention is allowed by the Board, the Board will promptly send written notice of the intervention to all parties, including the intervenor. In cases of permissive intervention, such notification will also include a statement of any limitations of time, subject matter, evidence or any other matters the Board thereby imposes upon the intervenor.
- (b) If the Board denies a petition for permissive intervention, it will promptly send written notice of such denial to the petitioner and all parties setting forth its reasons for denying the petition.

21 NCAC 08C .0107 DISQUALIFICATION OF BOARD MEMBER

- (a) A Board member shall be disqualified from participating in the hearing of any contested case or performing any duties related to a contested case if personal bias or other factors would keep the member from being able to participate in the hearing or to perform any duty related to the contested case or hearing in an impartial manner.
- (b) If a party to a hearing or any other interested person has a reasonable good faith belief that a Board member should be disqualified, that person shall submit an affidavit of disqualification to the Board.

21 NCAC 08C .0108 AFFIDAVIT OF DISQUALIFICATION

An affidavit of disqualification must state all the facts the affiant deems relevant to the disqualification of the Board member.

21 NCAC 08C .0109 FILING AFFIDAVIT OF DISQUALIFICATION

An affidavit of disqualification must be filed with the Board office before commencement of the hearing. However, it may be filed after the commencement of the hearing if it is filed within a reasonable time after the affiant knows or reasonably should know the facts giving rise to the affiant's reasonable belief that the Board member should be disqualified from participating in a contested case under this Section.

21 NCAC 08C .0110 DETERMINATION OF DISQUALIFICATION

(a) The members of the Board not challenged in an affidavit of disqualification shall determine whether the challenged Board member should be disqualified from participating in the hearing of a contested case. In making this determination, those Board members may:

- (1) call upon the challenged Board member to furnish relevant information; and
- (2) appoint a member of the Board or a member of the staff to investigate the allegations of the affidavit and report their findings and recommendations to the Board.

(b) The Board will maintain a record of the proceedings on disqualification and a written summary of its conclusions as part of the record of the contested case.

21 NCAC 08C .0111 NEW HEARING AFTER DISQUALIFICATION

(a) Upon request of a party to a contested case, the Board will conduct a new hearing of the contested case if a Board member was disqualified after the beginning of the initial hearing and if either:

- (1) less than a majority of Board members remained at the hearing subsequent to the disqualification, or
- (2) when the Board determines that substantial prejudice would result if a new hearing was not conducted.

(b) The Board member who has been disqualified shall not participate in the determination of whether substantial prejudice would result if a new hearing was not conducted.

21 NCAC 08C .0114 PRE-HEARING CONFERENCE

(a) The Board may itself conduct an informal pre-hearing conference for the purposes set forth in 21 NCAC 8C .0115 or it may designate a committee to conduct such a conference. The committee so designated may be composed entirely of staff members.

(b) Evidence of conduct or evidence of statements made during the pre-hearing conference are not admissible at the hearing in a contested case. However, evidence otherwise discoverable shall not be excluded merely because it is presented during the pre-hearing conference.

21 NCAC 08C .0115 PURPOSES OF A PRE-HEARING CONFERENCE

The purposes of a pre-hearing conference in a contested case are:

- (1) to determine the possibility of simplifying or eliminating the issues;
- (2) to facilitate the stipulation to facts or findings by the parties;
- (3) to identify evidence which will be needed at the hearing;
- (4) to determine the validity of proposed evidence;
- (5) to determine the need for depositions or subpoenas;
- (6) to determine the relevance of findings in some other case to the case at hand;
- (7) to determine the need for consolidation of cases or joint hearings; and
- (8) to determine any other matters which will reduce cost or save time or otherwise aid in the expeditious disposition of the contested case.

21 NCAC 08C .0116 NOTICE OF PRE-HEARING CONFERENCE

Notice of a pre-hearing conference in a contested case will be given in the notice of hearing for the case or, if the decision to hold a pre-hearing conference is made after the notice of hearing has been sent, in a subsequent notice.

21 NCAC 08C .0118 CONTINUANCES

A continuance of a pre-hearing conference will be granted to a party only under compelling circumstances, especially when a continuance has been previously requested by and granted to the party. Under no circumstances is the Board required to grant continuances.

21 NCAC 08C .0121 SERVICE OF SUBPOENAS

(a) Subpoenas shall be served as the officer issuing the subpoenas shall direct and as may be appropriate to the circumstances of the case. (b) An objection to a subpoena must include a concise but complete statement of reasons why the subpoena should be revoked or modified. These reasons may include, for example, lack of relevancy of the evidence requested, lack of particularity in the description of the evidence sought, or any other reason sufficient in law for holding the subpoena invalid, such as the evidence is privileged or the appearance or production would be so disruptive as to be unreasonable in light of the significance of the evidence sought or would produce some other undue hardship.

(c) The person objecting to the subpoena must serve a copy of the objection upon the party who requested the subpoena. Service must be on or before the date the objection is filed with the Board's office and may be accomplished by the United States Postal Service.

21 NCAC 08C .0123 RESPONSES TO OBJECTIONS TO SUBPOENAS

21 NCAC 08C .0124 HEARINGS ON SUBPOENA CHALLENGES

(a) After receipt of an objection to a subpoena, the Board shall schedule a public hearing on the objection within a reasonable time and shall issue a notice of hearing to the person requesting the subpoena and to the person objecting to it. The Board may also give notice to all other parties to the contested case.

(b) The hearing on objections to a subpoena shall be limited to the issues properly raised by the objection and any response, and all parties to the contested case may present evidence at the hearing relevant to those issues.

(c) Promptly after the close of a hearing, the Board shall rule on the objection to the subpoena and shall issue a written decision. The copy of the decision will be issued to all parties to the hearing and will be made a part of the permanent record of the contested case.

21 NCAC 08C .0125 RECORDS OF CONTESTED CASES

(b) Respondent shall likewise serve upon the Board staff copies of documents Respondent plans to offer as evidence at the hearing at least 14 business days prior to the scheduled hearing.

(c) Additional exhibits may be introduced by the Board staff or Respondent and admitted into evidence at the hearing if the presiding officer determines that the document(s) were not otherwise available to the party 14 business days prior to the hearing or the documents(s) are offered in response to documents served by the other party.

(d) Respondents shall supply at the hearing 16 copies of any document(s) that is of this Rule not served upon the Board staff in advance as prescribed in Paragraph (b) of this Rule.

(b) Military Service. A candidate who is on active military service shall not have the time on active military service counted against Subparagraph (c)(1) of this Rule unless the candidate applies to take the examination during the active military service in which case each month a candidate sits shall be counted toward Subparagraph (c)(1) of this Rule.

(c) A candidate is subject to the following conditioning requirements:

- (1) A candidate shall obtain a passing grade on all sections of the examination within an 18-month period;
- (2) A candidate may sit for any section of the examination individually;
- (3) A candidate may sit for each section of the examination up to four times during a one-year period but not more than one time in a three-month testing window as defined by the examination vendors(s);

(b) To be considered for credit, the passing grades must meet the requirements of 21 NCAC 08F .0105. To transfer credit, the candidate must file an application with the Board on a form provided by the Board. Such application may be made simultaneously with the application to take the CPA examination.

21 NCAC 08F .0107 COMMUNICATION OF RESULTS OF CPA EXAMINATIONS

(a) The Board shall communicate to candidates in writing the result achieved in each of their examinations. Grades awarded to candidates shall not be released to third parties except by written consent of the candidate.

(b) In no event shall any information concerning answers of candidates be given to anyone other than the candidate.

(c) Examination grades shall be mailed to the candidates upon receipt by the Board.

21 NCAC 08F .0111 INELIGIBILITY DUE TO VIOLATION OF ACCOUNTANCY ACT

(a) A person may not be eligible to take the CPA examination or receive the North Carolina certificate of qualification as a CPA if the Board determines that the person has engaged in conduct that would constitute a violation of G.S. 93 or the Rules of Professional Ethics and Conduct.

(b) Any individual found to have engaged in conduct which subverts, or attempts to subvert the CPA Examination process may have his or her scores on the examination withheld and declared invalid, be disqualified from holding the CPA certification and may be subject to the imposition of other appropriate sanctions.

(c) Conduct which subverts or attempts to subvert the examination process includes but is not limited to:

- (1) conduct which violates the standard of the test administration such as communicating with any other examinee during the administration of the examination;
- (2) having in one's possession during the administration of the examination any books, notes, written or printed material, or data of any other kind, other than the distributed examination materials;
- (3) failure to cooperate with testing officials;

- (5) conduct which violates the nondisclosure prohibitions of the examination or aiding or abetting another in doing so; and
- (6) retaking or attempting to retake an examination section by an individual holding a valid CPA certificate in this State or a candidate who has unexpired credit for having already passed the same examination section unless directed to do so by the Board.

21 NCAC 08F .0113 CANDIDATE'S REQUEST TO REVIEW CPA EXAMINATION

The Board may allow a North Carolina candidate pursuant to G.S. 93B-(8) to review his or her CPA Examination within 60 days after the release of the grades in question.

SECTION .0300 - EDUCATIONAL REQUIREMENTS FOR EXAMINATION

21 NCAC 08F .0302 EDUCATION AND WORK EXPERIENCE REQUIRED PRIOR TO CPA EXAM

(a) Applicants who intend to demonstrate their possession of sufficient education to become a CPA by showing that they possess a bachelor's degree shall submit official transcripts with their application to take the CPA examination. Official transcripts shall show the grades the applicant received on courses completed and shall also show degrees awarded. An official transcript bears the seal of the school and the signature of the registrar or assistant registrar.

(b) The Board may approve an application to take the CPA examination prior to the receipt of a bachelor's degree, if:

- (1) the concentration in accounting which shall be included in or supplement the bachelor's degree is already complete or is reasonably expected to be completed by the end of the school term within which the examination falls; and
- (2) an applicant reasonably expects to receive the bachelor's degree within 120 days after the application is received by the Board. However, if the applicant fails to receive the degree within the specified time, the CPA examination grades shall not be released and if the applicant wishes to retake the examination, the applicant shall reapply.

21 NCAC 08F .0303 SEMESTER HOUR EQUIVALENT

One quarter hour of undergraduate study shall equal two-thirds of a semester hour.

SECTION .0400 - EXPERIENCE

21 NCAC 08F .0401 WORK EXPERIENCE REQUIRED OF CANDIDATES FOR CPA CERTIFICATION

(a) G.S. 93-12(5)c sets forth work experience alternatives, one of which is required of candidates applying for CPA certification. In connection with those requirements, the following provisions apply:

- (1) The work experience shall be acquired prior to the date a candidate applies for certification.
 - (2) All experience which is required to be under the direct supervision of a CPA shall be under the direct supervision of a CPA on active status.
- (b) The following provisions apply to all candidates seeking to meet the work experience requirement of G.S. 93-12(5)c.3 by working in the field of accounting:
- (1) One year of work experience is 52 weeks of full-time employment. The candidate is employed full-time when the candidate is expected by the employer to work for the employer at least 30 hours each week for an indefinite period or for a set period of at least one year. Any other work is working part-time.
 - (2) All weeks of actual full-time employment are added to all full-time equivalent weeks in order to calculate how much work experience a candidate has acquired. Dividing that number by 52 results in the years of work experience the candidate has acquired.
 - (3) Full-time-equivalent weeks are determined by the number of actual part-time hours the candidate has worked. Actual part-time hours do not include hours paid for sick leave, vacation leave, attending continuing education courses or other time not spent directly performing accounting services. For each calendar week during which the candidate worked actual part-time hours of 30 hours or more, the candidate receives one full-time-equivalent week. The actual part-time hours worked in the remaining calendar weeks are added together and divided by 30. The resulting number is the additional number of full-time-equivalent weeks to which the candidate is entitled.
 - (4) The candidate shall submit experience affidavits on a form provided by the Board from all of the relevant employers; provided that when such experience was not acquired while employed with a CPA firm, the candidate shall also submit details of the work experience and supervision on a form provided by the Board. Experience affidavits for part-time work shall contain a record of the actual part-time hours the candidate has worked for each week of part-time employment. Both the experience affidavit and the form for additional detail shall be certified by the employer's office supervisor or an owner of the firm who is a certificate holder.
- (c) 21 NCAC 08F .0409 applies to teaching experience acquired pursuant to G.S. 93-12(5)c.2 and 4.

21 NCAC 08F .0409 SATISFACTION OF EXPERIENCE REQUIREMENT BY TEACHING

- (a) Teaching Experience. The requirement of "four years experience teaching accounting," G.S. 93-12(5), means teaching accounting full-time for four years.
- (1) Full-time teaching as described by the rules of the educational institution where the applicant taught will be accepted by the Board to be full-time teaching. However, in no case will less than 12 semester hours, or the equivalent, be accepted by the Board as full-time teaching.
 - (2) If the applicant has not taught accounting full-time for four years, credit will be allowed by the Board for teaching accounting less than full-time on a pro rata basis based upon the number of semester hours required for full-time teaching at the educational institution where the applicant taught. However, in no case can an applicant receive credit for a full-time teaching year for teaching done in less than one academic year or more credit than one full-time teaching year for teaching done within one calendar year.
 - (3) Courses outside the field of accounting will not be counted toward full-time teaching. Such courses include, but are not limited to: business law, finance, computer applications, personnel management, economics and statistics.
 - (4) Of the four years of full-time teaching experience, teaching accounting principles (below intermediate accounting) cannot be counted toward the educational requirement for more than the equivalent of two full-time years. The remaining two full-time teaching years must be taught in at least two different areas of advanced accounting such as auditing, income tax, intermediate financial accounting or advanced managerial accounting, and the applicant must have taught at least nine semester hours, or the equivalent, in at least two of the different areas.

The purpose of this Subparagraph is to render unacceptable as meaningful experience both the continuous teaching of the elementary accounting course and the continuous teaching of the advanced courses in only one area of accounting.

(b) Required Information. Applicants must submit with their application a letter from each institution where they taught, certified by the applicant's dean or department head at that institution. The letter must state:

- (1) the number of credit hours which the applicant taught each year;
- (2) the names and academic level of the courses taught; and
- (3) the number of hours set by the rules of the institution as full-time teaching for each relevant year.

(c) Burden of Proof. An applicant having taught in an accredited community college or technical institute has the burden of proving that the credits earned by students taking those courses which the applicant taught would transfer to a four-year accredited college or university.

21 NCAC 08F .0410 EDUCATION REQUIRED OF CANDIDATES FOR CPA CERTIFICATION

(a) G.S. 93-12(5)a sets forth the education required of candidates applying for CPA certification. The 150 semester hours required include a concentration in accounting, as defined by 21 NCAC 08A .0309, and 24 semester hours of coursework which include one three semester hour course from at least eight of the following 10 fields of study:

- (1) communications;
- (2) computer technology;
- (3) economics;
- (4) ethics;
- (5) finance;
- (6) humanities/social science;
- (7) international environment;
- (8) law;
- (9) management; or
- (10) statistics.

(b) Anyone applying for CPA certification who holds a Master's or more advanced degree in accounting, tax law, economics, finance, business administration, or a law degree from an accredited college or university or the equivalent thereof is in compliance with Paragraph (a) of this Rule.

SECTION .0500 - APPLICATIONS FOR CERTIFICATES

21 NCAC 08F .0502 APPLICATION FOR CPA CERTIFICATE

(a) A person applying for a certificate of qualification must file with the Board an application and an experience affidavit on forms provided by the Board and such other evidence as the Board may require in order to determine that the applicant has met the statutory and regulatory requirements.

(b) Three certificates of good moral character signed by CPAs shall be submitted with the application for a CPA certificate.

21 NCAC 08F .0504 CANDIDATES' ACCOUNTANCY LAW COURSE REQUIREMENT

(a) Within one year prior to applying for certification, all candidates for original or reciprocal certification must pass an open book examination on the North Carolina Accountancy Statutes and Rules, including the Rules of Professional Ethics and Conduct contained therein.

(b) In lieu of taking the examination, a candidate may complete an eight-hour CPE course on the subject of the examination within one year prior to applying for the CPA certificate. Such course or examination must meet the requirements of 21 NCAC 08G .0404(a). This course may count toward the candidate's annual CPE requirement.

SUBCHAPTER 08G - CONTINUING PROFESSIONAL EDUCATION (CPE)

SECTION .0400 - CPE REQUIREMENTS

21 NCAC 08G .0401 CPE REQUIREMENTS FOR CPAs

- (a) In order for a CPA to receive CPE credit for a course:
- (1) the CPA must attend or complete the course;
 - (2) the course must meet the requirements set out in 21 NCAC 08G .0404(a) or (c); and
 - (3) the course must increase the professional competency of the CPA.
- (b) The Board registers sponsors of CPE courses. A CPE course provided by a registered sponsor is presumed to meet the CPE requirements set forth in 21 NCAC 08G .0404(a) if the sponsor has indicated that the course meets those requirements. However, it is up to the individual CPAs attending the course and desiring to claim CPE credit for it to assess whether it increases their professional competency.
- (c) A course that increases the professional competency of a CPA is a course in an area of accounting in which the CPA practices or is planning to practice in the near future, or in the area of professional ethics or an area related to the profession.
- (d) Because of differences in the education and experience of CPAs, a course may contribute to the professional competence of one CPA but not another. Each CPA must therefore exercise judgment in selecting courses for which CPE credit is claimed and choose only those that contribute to that CPA's professional competence.
- (e) Active CPAs must complete 40 CPE hours, computed in accordance with 21 NCAC 08G .0409 by December 31 of each year, except as follows:
- (1) CPAs having certificate applications approved by the Board in April-June must complete 30 CPE hours during the same calendar year.
 - (2) CPAs having certificate applications approved by the Board in July-September must complete 20 CPE hours during the same calendar year.
 - (3) CPAs having certificate applications approved by the Board in October-December must complete 10 CPE hours during the same calendar year.
- (f) There are no CPE requirements for retired or inactive CPAs.
- (g) Any CPE hours completed during the calendar year in which the certificate is approved may be used for that year's requirement even if the hours were completed before the certificate was granted. When a CPA has completed more than the required number of hours of CPE in any one calendar year, the extra hours, not in excess of 20 hours, may be carried forward and treated as hours earned in the following year. A CPA may not claim CPE credit for courses taken in any year prior to the year of certification.
- (h) Any CPE hours used to satisfy the requirements for change of status as set forth in 21 NCAC 08J .0105, for reinstatement as set forth in 21 NCAC 08J .0106, or for application for a new certificate as set forth in 21 NCAC 08I .0104 may also be used to satisfy the annual CPE requirement set forth in Paragraph (e) of this Rule.
- (i) It is the CPA's responsibility to maintain records substantiating the CPE credits claimed for the current year and for each of the four calendar years prior to the current year.
- (j) A non-resident licensee may satisfy the annual CPE requirements including 21 NCAC 08G .0401 in the jurisdiction in which he or she is licensed and currently works or resides. If there is no annual CPE requirement in the jurisdiction in which he or she is licensed and currently works or resides, he or she must comply with (e) of this rule.

21 NCAC 08G .0403 QUALIFICATION OF CPE SPONSORS

- (a) The Board registers sponsors of CPE courses and not courses. The Board will maintain a list of sponsors which have agreed to conduct programs in accordance with the standards for CPE set forth in this Subchapter. Such sponsors shall indicate their agreement by signing a CPE program sponsor agreement form provided by the Board. These sponsors are registered sponsors.
- (b) Notwithstanding Paragraph (a) of this Rule, sponsors of continuing education programs which are listed in good standing on the National Registry of CPE Sponsors maintained by NASBA are considered to be

registered CPE sponsors with the Board. These sponsors are not required to sign a CPE program sponsor agreement form with this Board.

(c) In the CPE program sponsor agreement with the Board, the registered sponsor shall agree to:

- (1) allow the Board to audit courses offered by the sponsor in order to determine if the sponsor is complying with the terms of the agreement and shall refund the registration fee to the auditor if requested by the auditor;
- (2) have an individual who did not prepare the course review each course to be sure it meets the standards for CPE;
- (3) state the following in every brochure or other publication or announcement concerning a course:
 - (A) the general content of the course and the specific knowledge or skill taught in the course;
 - (B) any prerequisites for the course and any advance preparation required for the course and if none, that should be stated;
 - (C) the level of the course, such as basic, intermediate, or advanced;
 - (D) the teaching methods to be used in the course;
 - (E) the amount of sponsor recommended CPE credit a CPA who takes the course could claim; and
 - (F) the date the course is offered, if the course is offered only on a certain date, and, if applicable, the location;
- (4) ensure that the instructors or presenters of the course are qualified to teach the subject matter of the course and to apply the instructional techniques used in the course;
- (5) evaluate the performance of an instructor or presenter of a course to determine whether the instructor or presenter is suited to serve as an instructor or presenter in the future;
- (6) encourage participation in a course only by those who have the appropriate education and experience;
- (7) distribute course materials to participants in a timely manner;
- (8) use physical facilities for conducting the course that are consistent with the instructional techniques used;
- (9) assign accurately the number of CPE credits each participant may be eligible to receive by either:
 - (A) monitoring attendance at a group course; or
 - (B) testing in order to determine if the participant has learned the material presented;
- (10) provide, before the course's conclusion, an opportunity for the attendees to evaluate the quality of the course by questionnaires, oral feedback, or other means, in order to determine whether the course's objectives have been met, its prerequisites were necessary or desirable, the facilities used were satisfactory, and the course content was appropriate for the level of the course;
- (11) inform instructors and presenters of the results of the evaluation of their performance;
- (12) systematically review the evaluation process to ensure its effectiveness;
- (13) retain for five years from the date of the course presentation or completion:
 - (A) a record of participants completing course credit requirements;
 - (B) an outline of the course (or equivalent);
 - (C) the date and location of presentation;
 - (D) the participant evaluations or summaries of evaluations;
 - (E) the documentation of the instructor's qualifications; and
 - (F) the number of contact hours recommended for each participant;
- (14) have a visible, continuous and identifiable contact person who is charged with the administration of the sponsor's CPE programs and has the responsibility and is accountable for assuring and demonstrating compliance with these rules by the sponsor or by any other organization working with the sponsor for the development, distribution or presentation of CPE courses;

21 NCAC 08G .0409 COMPUTATION OF CPE CREDITS

(a) Group Courses: Non-College. CPE credit for a group course that is not part of a college curriculum shall be given based on contact hours. A contact hour shall be 50 minutes of instruction. One-half credits shall be equal to 25 minutes after the first credit hour has been earned in a formal learning activity. For example, a group course lasting 100 minutes shall be two contact hours and thus two CPE credits. A group course lasting 75 minutes shall be only one and one-half contact hours and thus one and one-half CPE credits. When individual segments of a group course shall be less than 50 minutes, the sum of the individual segments shall be added to determine the number of contact hours. For example, five 30-minute presentations shall be 150 minutes, which shall be three contact hours and three CPE credits. No credit shall be allowed for a segment unless the participant completes the entire segment.

(b) Completing a College Course. CPE credit for completing a college course in the college curriculum shall be granted based on the number of credit hours the college gives the CPA for completing the course. One semester hour of college credit shall be 15 CPE credits; one quarter hour of college credit shall be 10 CPE credits; and one continuing education unit (CEU) shall be 10 CPE credits. However, under no circumstances shall CPE credit be given to a CPA who audits a college course.

(c) Self Study. CPE credit for a self-study course shall be given based on the average number of contact hours needed to complete the course. The average completion time shall be allowed for CPE credit. A sponsor must

determine, on the basis of pre-tests, the average number of contact hours it takes to complete a course. CPE credit for self-study courses shall be limited so that a CPA completes at least eight hours of non-self study each year.

(d) Instructing a CPE Course. CPE credit for teaching or presenting a CPE course for CPAs shall be given based on the number of contact hours spent in preparing and presenting the course. No more than 50 percent of the CPE credits required for a year shall be credits for preparing for and presenting CPE courses. CPE credit for preparing for and presenting a course shall be allowed only once a year for a course presented more than once in the same year by the same CPA.

(e) Authoring a Publication. CPE credit for published articles and books shall be given based on the number of contact hours the CPA spent writing the article or book. No more than 25 percent of a CPA's required CPE credits for a year shall be credits for published articles or books. An article written for a CPA's client or business newsletter is not applicable for this CPE credit.

(f) Instructing a College Course. CPE credit for instructing a graduate level college course shall be given based on the number of credit hours the college gives a student for successfully completing the course, using the calculation set forth in Paragraph (b) of this Rule. Credit shall not be given for instructing an undergraduate level course. In addition, no more than 50 percent of the CPE credits required for a year shall be credits for instructing a college course and, if CPE credit shall also be claimed under Paragraph (d) of this Rule, no more than 50 percent of the CPE credits required for a year shall be credits claimed under Paragraph (d) and this Paragraph. This CPE shall be offered by a CPE sponsor registered with the Board pursuant to 21 NCAC 08G .0403(a) or (b).

(b) A non-resident licensee whose primary office is in North Carolina must comply with Paragraph (a) of this Rule. All other non-resident licensees may satisfy Paragraph (a) of this Rule by completing the ethics requirements in the jurisdiction in which he or she is licensed as a CPA and works or resides. If there is no ethics CPE requirement in the jurisdiction where he or she is licensed and currently works or resides, he or she must comply with Paragraph (a) of this Rule.

- (c) The petition shall be filed in the office of the Board. The Board's professional standards staff shall conduct any appropriate investigation. Based upon its investigation, the professional standards staff may prepare a proposed Hearing Notice. A Professional Standards Committee, appointed by the President of the Board, shall determine whether the allegations in the proposed Hearing Notice, if proven, would warrant a contested case proceeding pursuant to G.S. 150B-38 - 150B-42.
- (d) The Board may publish or announce the disciplinary action against a CPA in such manner and for such period as it deems appropriate.

21 NCAC 08I .0102 PROCEDURE WHEN PETITION AGAINST BOARD MEMBER OR EMPLOYEE

Provided, however, that an application to modify permanent revocation shall not be considered until after five years from the date of the original discipline, nor more often than three years after the Board's last decision on any prior application for modification.
- (b) The application for modification of discipline or for a new certificate shall be in writing, shall set out and, as appropriate, shall demonstrate good cause for the relief sought. - (c) "Good cause" as used in Paragraph (b) of this Rule means that the applicant is completely rehabilitated with respect to the conduct which was the basis of the discipline. Evidence demonstrating such rehabilitation shall include evidence:
 - (1) that such person has not engaged in any conduct during the discipline period which, if that person had been licensed or registered during such period, would have constituted the basis for discipline pursuant to G.S. 93-12(9);

- (2) that, with respect to any criminal conviction which constituted any part of the previous discipline, the person has completed the sentence imposed; and
- (3) that, with respect to a court order, restitution has been made to any aggrieved party.
- (d) In determining good cause, the Board may consider all the applicant's activities since the disciplinary penalty was imposed, the offense for which the applicant was disciplined, the applicant's activities during the time the applicant was in good standing with the Board, the applicant's rehabilitative efforts, restitution to damaged parties in the matter for which the penalty was imposed, and the applicant's general reputation for truth and professional probity. For the purpose of this Paragraph, "applicant" shall, in the case of a CPA firm, include CPA partners, CPA members, or CPA shareholders.
- (e) Any person who applies for a modification of discipline and for a new certificate after revocation shall, in addition to the other requirements of this Section, comply with all qualifications and requirements for initial certification which exist at the time of the application.

- (g) An application shall ordinarily be ruled upon by the Board on the basis of the recommendations and evidence submitted in support thereof. However, the Board may make additional inquiries of any person or persons, or request additional evidence it deems appropriate.

- (6) a non-CPA owner's name may not be used in the name of the CPA firm or held out to clients or the public that implies the non-CPA owner is a CPA.

21 NCAC 08N .0303 OBJECTIVITY AND CONFLICTS OF INTEREST

(a) Personal Financial Interest in Advice. When offering or rendering accounting or related financial, tax, or management advice, a CPA shall be objective and shall not place the CPA's own financial interests nor the financial interests of a third party ahead of the legitimate financial interests of the CPA's client or the public in any context in which a client or the public can reasonably expect objectivity from one using the CPA title.

(b) Expectation of Objectivity Presumed. If the CPA uses the CPA title in any way to obtain or maintain a client relationship, the Board will presume the reasonable expectation of objectivity.

(c) Acceptance of a Commission or Referral Fee. A CPA shall not for a commission recommend or refer to a client any product or service, or for a commission recommend or refer any product or service to be supplied by a client, or receive a commission, when the CPA also performs for that client:

- (1) an audit or review of a financial statement; or

- (3) an examination of prospective financial information.

This prohibition applies during the period in which the CPA is engaged to perform any of the services listed in Subparagraph (c)(2) of this Rule and the period covered by any historical financial statements involved in such listed services.

(d) Acceptance of a Contingent Fee.

- (1) The offering or rendering of professional services for, or the receipt of, a contingent fee by a CPA is not prohibited except for engaging to render or rendering by a CPA:
 - (A) of professional services for any person for whom the CPA also performs attest services, during the period of the attest services engagement and the period covered by any historical financial statements involved in such attest services; and
 - (B) for the preparation of original or amended tax returns or claims for tax refunds.
- (2) Fees are not regarded as being contingent if fixed by courts or other public authorities or, in tax matters, if determined based on the results of judicial proceedings or the findings of governmental agencies.

(e) A CPA shall communicate in advance to a client the scope of services or products to be rendered or referred for which the CPA will receive a commission, referral, or contingent fee. A CPA shall provide disclosure in a written statement within ten business days of the service or product to be rendered or referred with the commission, referral, or contingent fee to be charged or received by the CPA.

21 NCAC 08N .0304 CONSULTING SERVICES STANDARDS

(a) Standards for Consulting Services. A CPA shall not render consulting services unless the CPA has complied with the standards for consulting services.

(b) Statements on Standards for Consulting Services. The Statements on Standards for Consulting Services (including the definition of such services) issued by the AICPA, including subsequent amendments and editions, are hereby adopted by reference, as provided by G.S. 150B-21.6, and shall be considered as the approved standards for consulting services for the purposes of Paragraph (a) of this Rule.

(c) Departures. Departures from the statements listed in Paragraph (b) of this Rule must be justified by those who do not follow them as set out in the statements.

(d) Copies of Statements. Copies of the Statements on Standards for Consulting Services may be inspected in the offices of the Board, as described in 21 NCAC 08A .0102. Copies may be obtained from the AICPA, 220 Leigh Farm Road, Durham, NC 27707 as part of the "AICPA Professional Standards." They are available at cost, which is one hundred sixty-nine dollars (\$169.00) in paperback form or four hundred eighty-six dollars (\$486.00) in looseleaf subscription form as of the effective date of the last amendment to this Rule.

21 NCAC 08N .0305 RETENTION OF CLIENT RECORDS

(a) Return upon Demand. A CPA must return client records in his or her possession to the client after a demand is made for their return. The records must be returned immediately upon demand unless circumstances make some delay reasonable in order to retrieve a closed file or to extract the CPA's work papers described in Paragraph (f) of this Rule. If the records cannot be returned immediately upon demand, the CPA shall immediately notify the client of the date the records will be returned. Nothing in this Rule shall be interpreted to require a CPA to pay delivery costs when the records are returned to the client.

(b) Who may Demand Client Records. If the client is a partnership, records shall be returned upon request to any of its general partners. If the client is a limited partnership or a registered limited liability partnership, records shall be returned upon request to its general partner(s) and the managing partner or his or her designated individual respectively. If the client is a corporation, records shall be returned upon request to its president. If the client is a limited liability company, records shall be returned upon request to the manager. Joint records shall be returned upon request to any party.

(c) Return of Original Records. If the engagement is terminated prior to completion or the CPA's work product has neither been received nor paid for by the client, the CPA is only required to return those records originally given to the CPA by the client.

(d) Retention to Force Payment. A CPA shall not retain a client's records in order to force payment of any kind.

(e) Work Papers Included in Client Records. Work papers are usually the CPA's property and need not be surrendered to the client. However, in some instances work papers will contain data which should properly be reflected in the client's books and records but for convenience have not been duplicated therein with the result that the client's records are incomplete. In such instances, the portion of the work papers containing such data constitutes part of the client's records, and copies shall be given to the client along with the rest of the client's records. Work papers considered part of the client's records include but are not limited to:

- (1) Worksheets in lieu of original entry (e.g., listings and distributions of cash receipts or cash disbursements on columnar work paper);
- (2) Worksheets in lieu of general ledger or subsidiary ledgers, such as accounts receivable, job cost and equipment ledgers, or similar types of depreciation records;
- (3) All adjusting and closing journal entries and supporting details not fully set forth in the journal entry; and
- (4) Consolidating or combining journal entries and worksheets and supporting detail used in arriving at final figures incorporated in an end product such as financial statements or tax returns.

(f) Work Papers Belonging to the CPA. Work papers developed by the CPA incident to the performance of an engagement which do not result in changes to the client's records, or are not in themselves part of the records ordinarily maintained by such clients, are solely the CPA's work papers and are not the property of the client. For example, the CPA may make extensive analyses of inventory or other accounts as part of the selective audit procedures. These analyses are considered to be a part of the CPA's work papers, even if the analyses have been prepared by client personnel at the request of the CPA. Only to the extent these analyses result in changes to the client's records would the CPA be required to furnish the details from the work papers in support of the journal entries recording the changes, unless the journal entries themselves contain all necessary details.

(g) Reasonable Fees for Copies. Nothing in this Rule shall be construed to require the CPA to furnish a client with copies of the client's records already in the client's possession. However, if the client asserts that such records have been lost, or are otherwise not in the client's possession, the CPA shall furnish copies of the records and may charge a reasonable fee.

(h) Retention of Work Product and Work Papers. A CPA shall ensure that the work product and the work papers created in the performance of an engagement for a client are retained for a minimum of five years after the date of issuance of the work product unless the CPA is required by law to retain such records for a longer period.

21 NCAC 08N .0306 ADVERTISING OR OTHER FORMS OF SOLICITATION

(a) Deceptive Advertising. A CPA shall not seek to obtain clients by advertising or using other forms of solicitation in a manner that is deceptive.

(b) Specialty Designations. A CPA may advertise the nature of services provided to clients but the CPA shall not advertise or indicate a specialty designation or other title unless the CPA has met the requirements of the granting organization for the separate title or specialty designation and the individual is currently on active status and in good standing with the granting organization for the separate title or specialty designation.

(c) The CPA firm shall offer to perform or perform professional services only in the exact name of the CPA firm as registered with the Board. The exact CPA firm name as registered with the Board shall be used on the following documents:

- (1) Letterhead;
- (2) contracts;
- (3) engagement letters;
- (4) tax returns; and
- (5) all professional services reports.

(d) The CPA firm may advertise professional services using the exact name of the CPA firm, a portion of the CPA firm name, initials or acronyms derived from the exact CPA firm name as registered with the Board.

(e) Any CPA or CPA firm offering to or performing professional services via the Internet shall include the following information on the Internet:

- (1) CPA business or CPA firm name as registered with the Board;
 - (2) principal place of business;
 - (3) business phone; and
 - (4) North Carolina certificate number and North Carolina as state of certification.
- (f) The use of the phrase "certified public accountant(s)" or "CPA(s)" in the name of any business entity on letterhead, professional services reports, business cards, brochures, building signage, office signs, telephone directories, contracts, engagement letters, tax returns, Internet directories or any other advertisements or forms or solicitation is prohibited except for registered CPA firms.

21 NCAC 08N .0307 CPA FIRM NAMES

- (a) Deceptive Names Prohibited. A CPA or CPA firm shall not trade upon the CPA title through use of any name that would have the capacity or tendency to deceive. The name or initials of one or more members of a new CPA firm, as defined in 21 NCAC 08A .0301, shall be included in the CPA firm name. The name of former members and the initials of former members that are currently in the CPA firm name and the name of current members and the initials of current members may be included in a new CPA firm name. The name, the portion of the name, the initials of the name or the acronym derived from the name of a firm association or firm network that includes names that were not previous CPA members or are not current CPA members of the CPA firm and the name or initials of a non-CPA member in a CPA firm name is prohibited.
- (b) Style of Practice. It is misleading if a CPA firm practices under a name or style which would tend to imply the existence of a partnership or registered limited liability partnership or a professional corporation or professional limited liability company of more than one CPA shareholder or CPA member or an association when in fact there is no partnership nor is there more than one CPA shareholder or CPA member of a CPA firm. For example, no CPA firm having just one CPA member may have as a part of its name the words "associates," "group," "firm," or "company" or their abbreviations. It is also misleading if a CPA renders non-attest professional services through a non-CPA firm using a name that implies any non-licensees are CPAs.
- (c) Any CPA firm that has continuously used an assumed name approved by the Board prior to April 1, 1999, may continue to use the assumed name. A CPA firm (or a successor firm by sale, merger, or operation of law) using the name, or a portion of a name, or the initials of the name, or the acronym derived from the name of a firm association or firm network that was approved by the Board prior to April 1, 1999 may continue to use that name so long as that use is not deceptive. A CPA firm (or a successor firm by sale, merger, or operation of law) may continue to use the surname of a retired or deceased partner or shareholder in the CPA firm's name so long as that use is not deceptive.

21 NCAC 08N .0308 VALUATION SERVICES STANDARDS

- (a) Standards for Valuation Services. A CPA shall not render valuation services of a business, a business ownership interest, security, or intangible asset unless the CPA has complied with the standards for valuation services.
- (b) Statements on Standards for Valuation Services. The Statements on Standards for Valuation Services (including the definition of such services) issued by the AICPA, including amendments and editions, are hereby adopted by reference, as provided by G.S. 150B-21.6, and shall be considered as the approved standards for valuation services for the purposes of Paragraph (a) of this Rule.
- (c) Departures. Departures from the standards listed in Paragraph (b) of this Rule must be justified by those who do not follow them as set out in the statements.
- (d) Copies of Statements. Copies of the statements on standards for valuation services may be inspected in the offices of the Board, as described in 21 NCAC 08A .0102. Copies may be obtained from the AICPA, 220 Leigh Farm Road, Durham, NC 27707 as part of the "AICPA Professional Standards." They are available at cost, which is one hundred sixty-nine dollars (\$169.00) in paperback form or four hundred eighty-six dollars (\$486.00) in looseleaf subscription form as of the effective date of the last amendment to this Rule.
