"CONTEMPTIBLE PIE HUNTERS."

This Is What Butler Called Those Who Favored Co-Operation in 1897.

Here is what Marion Butler said in his paper, the *Caucasian*, in February, 1897:

"The co-operation of the Populists and Republicans in this State has been a dismal and disastrous failure. Only the contemptible pie-hunters see any good in it."

If you do not believe Marion Butler's paper said this, ask him whether it did or not. He dare not deny it. If "co-operation" had no "good in it" in 1897, is there "any good in it" in 1898, when Negro Domination is staring us in the face?

What Marion Butler said in the *Caucasian* in 1897, is exactly what every decent white man in North Carolina believes now.

These are among the most popular Bulbs for Winter, blooming in the conservatory or window garden. The Bulbs seem small in comparison with the foliage and flower spikes, the flowers are delightfully fragrant and after being cut and placed in water remain in good condition a long time. Four to six Bulbs may be planted in a four inch pot. Growth commences at once and they need not be set away to form roots like the Hyacinths. By planting early and at intervals a succession of bloom can be had.

MORE NEGRO SCOUNDRELISM.

Black Beasts Attempt to Outrage the Young Daughter of a Respectable Farmer.

HER FATHER SWEARS TO IT

Attacked On the Public Highway in Brunswick County While Returning From Sunday School—Her Screams Saved Her From a Fate Worse Than Death.

Joseph Gore, is an honest and respectable farmer of the county of Brunswick—poor in this world's goods, but esteemed by his neighbors. He has a wife and children, and there is a church and Sunday school near his home which are attended by his family. But he lives in a township where the negroes outnumber the whites more than three to one. This, coupled with the fact, no doubt, that Brunswick county is under Republican-Fusion rule, emboldened two beastly negroes to make an attempt to outrage a young girl on the public road as narrated in the following affidavit:

STATE OF NORTH CAROLINA,
County of Brunswick.

Personally appeared before me, Geo. H. Bellamy, a Justice of the Peace for Town Creek township, Brunswick county, Joseph Gore, who, being duly sworn, states: "Some days ago my daughter, aged 15 years, was returning from Sunday School, accompanied by her little brother, aged 12 years, about 3 o'clock in the afternoon. When about a quarter of a mile from home, two negro boys, aged about 16 to 18 years, ran after my daughter, with their coats turned over their heads to conceal their identity, and attempted to take hold of her, and doubtless would have placed their unholy hands on her person; and had it not been for her screams would have doubtless accomplished their purpose. This was done in Town Creek township, in broad daylight. The villains have not yet been detected.

Signed, "JOSEPH GORE."

Signed and sworn to before me this 19th day of September, A. D., 1898.

GEO. H. BELLAMY, J. P.

White men of Brunswick county, can you stand that? Is there one left in the borders of your county who will not vote against every candidate who consorts with negroes, and who is dependent on them for election? Has it come to this, that your daughters cannot attend church or Sunday school without having a body-guard to protect them from the lustful black brutes who roam through your county?

Rise in your might, white men of Brunswick. Assert your manhood. Go to the polls and help stamp out the last vestige of Republican-Populist-Negro Fusion.

A HORRID SLANDER.

The Most Infamous That Ever Appeared in Print in This State.

The Alarmed Politicians are Trying to Break the Force of it by Resorting to Various Dodges. But They are Too Thin.

The infamous assault on the white women of this State which appeared on the 18th of August in the *Daily Record*, the negro paper published in this city, has aroused a storm of indignation from one end of the State to the other. We have received so many requests for copies of the STAR containing this article that we herewith reproduce it in full, the accuracy of which is certified to by Col. John D. Taylor, Clerk of the Superior Court of New Hanover county, and by a number of our well-known business men. The article is headed:

Mrs. Felton's Speech.

"A Mrs. Felton, from Georgia, makes a speech before the Agricultural Society at Tybee, Ga., in which she advocates lynching as an extreme measure. This woman makes a strong plea for womanhood, and if the alleged crimes or rape were half so frequent as is oft-times reported, her plea would be worthy of consideration.

"Mrs. Felton, like many other so-called Christians, loses sight of the main principle of the religion of Christ in her plea for one class of people against another. If a missionary spirit is essential for the uplifting of the poor white girls, why is it? The immorals of the poor white people are on a par with their colored neighbors of like conditions, and if any one doubts the statement let him visit among them. The whole lump needs to be leavened by those who profess so much religion and showing them that the preservation of virtue is an essential for the life of any people.

"Mrs. Felton begins well for she admits that education will better protect the girls on the farm from the assaulter. This we admit and it should not be confined to the white any more than to the colored girls. The papers are filled often with reports of rapes of white women, and the subsequent lynching of the alleged rapists. The editors pour forth volleys of aspersions against all negroes because of the few who may be guilty. If the papers and speakers of the other race would condemn the commission of crime because it is crime and not try to make it appear that the negroes were the only criminals, they would find their strongest allies in the intelligent negroes themselves, and together the whites and blacks would root the evil out of both races.

"We suggest that the whites guard their women more closely, as Mrs. Felton says, thus giving no opportunity for the human fiend, be he white or black. You leave your goods out of doors and then complain because they are taken away. Poor white men are careless in the matter of protecting their women, especially on farms. They are careless of their conduct toward them and our experience among poor white people in the country teaches us that the women of that race are not any more particular in the matter of clandestine meetings with colored men, than are the white men with colored women. Meetings of this kind go on for some time until the woman's infatuation or the man's boldness, bring attention to them and the man is lynched for rape. Every negro lynched is called a big, burly, black brute," when in fact many of those who have thus been dealt with had white men for their fathers, and were not only not 'black' and 'burly' but were sufficiently attractive for white girls of culture and refinement to fall in love with them as is well known to all."

"Mrs. Felton must begin at the fountain head if she wishes to purify the stream.

"Teach your men purity. Let virtue be something more than an excuse for them to intimidate and torture a helpless people. Tell your men that it is no worse for a black man to be intimate with a white woman, than for a white man to be intimate with a colored woman.

You set yourselves down as a lot of carping hypocrites; in fact you cry aloud for the virtue of your women while you seek to destroy the morality of ours. Don't think ever that your women will remain pure while you are debauching ours. You sow the seed—the harvest will come in due time."

THE AFFIDAVIT OF THE CLERK.

An effort has been made by some of the politicians to fool the people by representing that this slander was a Democratic trick or was garbled, but the following affidavit from the Clerk of the Superior Court settles the question as to its accuracy:

NORTH CAROLINA.
NEW HANOVER COUNTY.

I, John D. Taylor, Clerk of the Superior Court of New Hanover county, do hereby certify that the foregoing is an accurate and true copy of an editorial in the *Daily Record*, a paper published in the city of Wilmington, of date Aug. 18, 1898.

"I further certify that said paper has been published in said city at least eight months prior to this date; that Alex. L. Manly, the editor, is a negro, is well known as a Republican and has before this held the office of Deputy Register of Deeds of New Hanover county, by appointment from Charles W. Norwood, Republican Register of Deeds, of New Hanover county.

"I further certify that John N. Goins, business manager; L. D. Manly, foreman; Jno. T. Howe, general traveling agent; and F. G. Manly, general manager, are all negroes, and are known as Republicans and the said Jno. T. Howe was a Republican Representative from New Hanover county in the Legislature of 1897. Witness my hand and seal this August 24th, 1898. JOHN D. TAYLOR,

Clerk Superior Court of New Hanover Co.

Who Manly Is.

As the Republican politicians in this county could not call this assault a Democratic trick, or say it was garbled, they tried to break the force of it by repudiating the paper as a party organ and characterizing the editor as a "simpleton" who represents no one but himself. The following affidavit from a number of business men of Wilmington testifies to the accuracy of the published slander, tells who Manly and his associates on the *Record* are and shows that Manly was not regarded as a simpleton, or a nobody before he startled the bosses by the publication of that awful article:

CITIZENS TESTIFY.

B. G. Worth, of the Worth Co.; R. W. Hicks, wholesale grocer; C. E. Borden, president of Navassa Guano Co.; W. L. DeRosset, commander of N. C. Division Confederate Veterans, and John C. Springer, of the firm of W. E. Springer & Co., each being duly sworn says that he has read the foregoing paper, and that the said is an accurate and true copy of an editorial in the *Daily Record* of the date August 18th, 1898; that said paper, the *Daily Record*, has been published in the city of Wilmington at least eight months prior to this date, and Alex. L. Manly, the editor thereof, is a negro, is well known as a Republican and has held the position of Deputy Register of Deeds in New Hanover county under the Republicans.

Affiants further say that John N. Goins, business manager, L. D. Manly, foreman, John T. Howe, general traveling agent, and F. G. Manly, general manager, are all negroes, and Republicans, and the said John T. Howe was a Republican Representative from New Hanover county in the Legislature of 1897.
